We are trusted manufacturer, supplier, distributor & traders of Inkjet Printers & Printing Inks. These are widely known for their perfect printing impression. We are also offering Inkjet Printing Services.

# Profile

Based at Hyderabad, Andhra Pradesh, we, “**Aditya Inkjet Technologies Pvt Ltd**”, established in the year **2010** are one of the most reputed manufacturer, supplier, distributor and trader of premium quality of Inkjet Printers & Printing Inks. These are fabricated by our experienced professionals using the finest quality raw material according to international quality norms. Our wide range includes Inkjet Printer Machines, Image Inkjet Printers and Industrial Inkjet Printers. Apart from this, **we also offer Inkjet Printing Services**. Moreover, these products are also quality tested on several industry defined parameters to ensure that only a flawless range of products is offered to our customers. Highly appreciated for their features like perfect printing impression, optimum performance, easy operation and low maintenance requirement, these are available at very competitive prices in the market.

We have a well developed infrastructure unit that helps us in manufacturing optimum quality and an innovative range of products. Separated into various sections, it is incorporated with the latest technology and modern equipments. Our talented professionals make use of this infrastructure as they are always dedicated to fabricating quality products. Besides, our quality control unit also consists of every necessary quality checking equipment and is manned by our experienced quality controllers. Our warehouse is also very spacious and can store bulk amount of raw material and manufactured products.

Under the valuable guidance of our mentor, '**Mr. Kotha Ramakoti Reddy**', we have achieved new milestones of success in this domain. His constant motivation and brilliant managerial skills have enabled us to gain an edge over our competitors.
